MESSAGE FROM BDOS CHIEF PATRON

Dr Salil Kumar
Chief Patron BDOS

It is a pleasure and heartening to see that BDOS is coming out with a updated members directory for ready reference. The society has grown leaps and bounds with induction of new members and acquisition of higher qualifications and current placement of other life members. This directory is the need of the hour and I am sure will be beneficial to everyone. In fact I am of the view that the directory should be updated after every 3 years. Preparing a directory is a Herculean task and kudos to the team of office bearers who have accomplished this successfully. My heartiest congratulations to the entire team.

Thanks
Warm Regards

Dr Salil Kumar
Chief Patron BDOS

MESSAGE FROM BDOS HON. SECRETARY

Dr Vinita Ramnani

Hon. Secretary, BDOS

Respected BDOS members,

BDOS Directory for members was a dream when I was clinical secretary in 2013-15. I'm glad to see it is now a reality in flesh and paper with all your help.

First and foremost, I'd like to thank almighty God. I also thank BDOS president Dr. Lalit Shrivastava, Clinical Secretary Dr. Chahveer Singh Bindra and each one of you for your support and guidance.

We have tried to collect all the appropriate information but I apologise for any lacuna in making of this directory. This is the first edition with data of our members with serial numbers starting with our first pioneer member Late Dr. Santokh Singh sir.

As of October 2022, BDOS is growing strong with 250 members and 45 PG members. We tried to compile available data, hoping it will be easier to add new members and update the directory in future. I wish you all find this small effort to make first time the directory of our BDOS doctors useful and handy and enjoy using it as much as we enjoyed making it. Apologies for any errors or omissions.

Thanks
Warm Regards

Dr Vinita Ramnani
Hon. Secretary BDOS

MESSAGE FROM BDOS CLINICAL SECRETARY

Dr Chahveer Singh Bindra
Clinical Secretary, BDOS

It gives me an immense pleasure to be a part of BDOS official committee which has now come up with BDOS directory. This directory will be of great help in having details of all the ophthalmologists registered under BDOS till date. Also, it will keep us connected for all the important information regarding their current location, contact number and important dates of celebration. It was a long standing dream and has now become a reality specially by great inputs and efforts from our BDOS President Dr Lalit Shrivastava, Honorary Secretary Dr Vinita Ramnani and all the executive members of BDOS. Hope this small step will increase the bonding amongst all our members and we can cherish together days of celebration.

Thanks
Warm Regards

Dr Chahveer Singh Bindra
Clinical Secretary, BDOS
